

# Digital Infra-structure and African Cities

Between Geopolitics and Micropolitics

Guest lecture (online) by Dr Andrea Pollio

Assistant Professor of Economic and Political Geography at the Polytechnic of Turin, Italy  
& Research Associate of the African Centre for Cities at the University of Cape Town, South Africa

**02 Jul 2024**  
**14:15-15:45 / GB I, 410**

As part of this semester's lecture seminar 'Stadt und Infrastrukturen des 21ten Jahrhunderts' (B.Sc. Spatial Planning), Dr Andrea Pollio will give a guest lecture on digital infrastructures in African cities on Tuesday, July 02<sup>nd</sup> 2024 (14:15-15:45). Dr Andrea Pollio will present online. For students and colleagues in Dortmund, the lecture and subsequent discussion are in-person (GB I, 410). **We cordially invite all interested persons to attend the lecture.** Advance registration is not required.
